A Look at our Learning

LETTERS AND SOUNDS

We have been learning about digraphs. Digraphs are two letters that come together and make one special sound: wh, ch, sh, th, ck

SIGHT WORDS

him, her, too, down, our, out, some, there, when, be girl, boy

READING

We are going to begin our next Module where we will be learning all about our country and all of the things that make the USA so special.

MATH

Students have been working on decomposing numbers 11-19 by a group of 10 and ones.

A note from your teacher

As the weather continues to change, please send your child to school dressed in layers. Our building can get quite warm, but when we open the windows for fresh air, it can quickly feel cool. Having layers they can easily take on and off will help keep them comfortable throughout the day.

A special Congratulations to our March Bucket Fillers!
We are so proud of all of your hard work.
