### BUCKET FILLERS FOR MARCH

Class 501

Ekaterina Curinnaia  
Cristian Escobar

Class 502

Keith Ciampoli  
Shahman Muhammad

Class 503

Hanna Chen  
Azan Choudhary

### ELA

Module 7 - Above, Below, and Beyond

Over the next three weeks, our class will build their knowledge about exploration, with a focus on the autobiography genre. We will read texts and view videos about important discoveries people have made on land, in the oceans, and in space. Children will also write an expository essay that explains how curiosity encourages exploration.

### MATH

Topic 9 - Apply Understanding of Division to Divide Fractions

Topic 9 focuses on applying conceptual understanding of whole-number division to divide unit fractions by whole numbers and whole numbers by unit fractions. In preparation for the state test, students will review previous Math Topics as well as multiple choice and constructed response strategies

### I-READY MINUTES

Students must complete 50 minutes in Math and Reading each week/2 lessons.

### WRITING

In preparation for the state test, students will practice writing both short and extended responses to literature, focusing on using text evidence and clearly explaining their thinking.
