Dear PS 748 Families,

Welcome to another exciting school year at PS 748 The Brooklyn School for Global Scholars. Our school community of parents, students, and staff remains committed to creating a learning environment where students' academic, social, and emotional needs are supported each and every day.

At PS 748, we believe that all students can learn and succeed when provided with engaging instruction, meaningful learning opportunities, and a supportive school community. We are proud to provide a culturally responsive learning environment where individuality, creativity, critical thinking, communication, and collaboration are celebrated.

Our instructional programs are designed to help students become independent readers, writers, communicators, and problem solvers. Through rigorous academics, social-emotional learning, Project Based Learning opportunities, and strong partnerships between school and home, students are encouraged to think critically, communicate effectively, and apply their learning to real-world situations.

Our school motto, "Learning Today, Leading Tomorrow," reminds us that the work we do each day prepares our students to become thoughtful, responsible, and successful global citizens.

We look forward to partnering with you throughout the 2026–2027 school year.

Strategically planning for the success of all students,

The Brooklyn School for Global Scholars

At PS 748 The Brooklyn School for Global Scholars, our mission is to prepare students to become active participants in an ever-changing global community. We empower students to become confident, compassionate, and independent learners who think critically, communicate effectively, collaborate with others, and lead with integrity.

PS 748 provides standards-based instruction through HMH Into Reading, Foundations, Heggerty, EnVision Math, Passport to Social Studies, Civics for All, Hidden Voices, and Amplify Science. Across all subject areas, students engage in critical thinking, communication, collaboration, problem solving, and writing experiences that encourage them to communicate their thinking effectively through speaking, discussion, and writing.

Professional learning remains at the core of our work as staff members engage in ongoing training focused on culturally responsive teaching, differentiated instruction, writing across the curriculum, social-emotional learning, MTSS, and evidence-based instructional practices. Teachers are encouraged to use curriculum programs as resources and frameworks while adapting instruction to meet the diverse needs of students.

PS 748 is committed to supporting the whole child through initiatives such as Bucket Fillers, A.C.E. Awards, and Social Emotional Learning practices that promote empathy, emotional intelligence, leadership, and positive citizenship. We are proud to foster an inclusive school community that celebrates students' diverse backgrounds, cultures, abilities, and experiences.

Through strong partnerships among students, families, staff, and the community, PS 748 The Brooklyn School for Global Scholars remains dedicated to our motto: **"Learning Today, Leading Tomorrow."**

School Buses

Only eligible students are permitted to ride the school bus. Children in Grades K-2 living a 1/2 mile or more from the school and students in Grades 3-5 living 1 mile or more are eligible for bus service. Please make sure an adult is there each day on time to pick up your child from the bus stop. Please note, the drivers cannot wait at any given stop, as they follow a schedule for pick up and drop off. Please remind your child about bus safety. All children should remain in their seats, with their seatbelts on at all times while the bus is moving. During our Bus Safety Drills, students are also reminded about bus behavior, and what to do in an emergency. Students are subject to all bus safety rules and regulations as outlined in The Chancellor's Regulations A-801.

If your child is not riding the bus on any given day, a written letter must be submitted to the teacher or the main office must be notified via phone by noon of that day. Please make sure you speak to someone directly, and do not leave a voicemail, as that message may not be received in time for bus pick up.

Emergency Contact Cards are kept on file in the main office, the medical room, and the child's classroom. It is imperative that information on these cards be kept accurate and up to date.

Please make it a priority to come to the main office to update the blue card if you change your phone number.

Please be mindful that for safety purposes:

- Only people listed on your child's blue card will be allowed to pick up your child.
- We **will not** take verbal permission over the phone.
- Anyone other than a parent who is picking up, may not sign the child out of school early, even if they are on the blue card. We require a note from the parent giving permission for early pick up.
- Only the parent or legal guardian can add a person to the blue card.
- We will **not** release your child to anyone listed on the blue card that does **not have** proper identification.
- Students will not be released to a minor (**Anyone under the age of 18**)
- All students who are being picked up from the main office must be signed out.
- Please contact the school, if you know you will be running late for pick up.

School Security/Visitors

To ensure the safety of our entire school community, the front doors will be locked. In order to enter the building, visitors must ring the bell, **MUST** present photo identification to the school safety agent and sign in at the desk upon arrival. You will then be directed to the main office.

***No one will be permitted to enter the building without photo ID.**

Lost and Found

The lost and found is located in the auditorium. All clothing, backpacks, lunchboxes and books must be labeled with your child's name and class. Please be sure to check the lost and found in a timely fashion. At the end of each month, all unclaimed items will be donated to charity.

Awards

We believe in celebrating our students' successes. We will be giving out "Bucket Filler" and "A.C.E." Awards at monthly assemblies. Please make every effort to attend.

Homework Policy

Homework is an extension of the learning that takes place in school. Homework provides practice that reinforces classroom learning. Parents can help their children by providing a quiet, comfortable place for children to work. Parents should also follow up on assignments to ensure that they are completed. Please make sure that you check and sign all homework.

The following guidelines are suggested for each grade level on a daily basis:

Kindergarten	10-15 minutes
Grades 1 & 2	30 minutes
Grades 3, 4 & 5	40 minutes

If you find it is taking your child longer than the above mentioned time, please do not hesitate to reach out to their teacher.

Birthday Celebrations

Birthdays in K-5 may only be celebrated in the classroom at 1:45 pm. In order to maximize instructional time and minimize interruptions, prior approval from the classroom teacher is needed. In grades 3, 4 and 5 birthdays will be celebrated once a month. Please consult with your child's teacher on appropriate classroom treats.

***Please note, we do not allow siblings to be pulled from instruction to attend parties.**

Emergency Drills

Evacuation Drills, Shelter-In, Lockdown Drills & Hold Drills are held at regular intervals. Students are taught the necessary precautions to take in the event of an emergency and the appropriate behavior to be used during the drill.

Medical Room Procedures

First aid is administered in the medical office located on the third floor. Parents will be contacted either by phone or letter (depending on the severity of the illness) when a child is seen by the nurse. According to the Department of Education policy, students may only be given medication by the school nurse if the **Medication Administration Form (504)** has been completed and is on file. This form is available for any child who needs to be administered medication during the school day. **Under no circumstances will a child be permitted to carry medicine in school.**

If you have any questions, please feel free to contact our school nurse, located in room 301B. You can call (718) 382-3130 extension 3012.

Cell Phone & Smart Device Policy

In accordance with New York State Education Law §2803, students may not use personal internet-enabled electronic devices during the school day, including cell phones, smartwatches, tablets, and similar devices. Students will power off devices each morning and secure them in their NutKase pouch, which must remain unopened during the school day. Devices may not be used inside the school building at any time. Students are responsible for bringing their pouch to school daily. Replacement pouches are available through the Parent Coordinator for a \$10 fee.

The complete cell phone policy will be distributed at the beginning of the school year.

NYC Public Schools Website **(www.schools.nyc.gov)**

On the website under School Life, you can find information regarding rules and policies such as the [Chancellor's Regulations, Discipline Code, Parents Bill of Rights and Parents Bill of Rights for Data Privacy and Security](#). There is also information to support [English Language Learners](#), as well as our [Special Education Community](#). On this site, you will also find information about supporting immigrant families, and ensuring that all of our families know their rights. Also on this website you can find information about enrollment, busing, school menus, attendance, health and wellness and much more. At the top of the webpage, there is a large variety of languages to choose from. This allows all families the opportunity to view the webpage in their native language. This website was designed to reach and support all families. We hope you find it helpful.

PS 748 also has access to over the phone interpretation from Language Line. Attendance

As part of the **Chancellor's Regulation A-210**, we are required to know the reason a child is absent from school. Therefore, parents are asked to submit a note to their child's teacher stating the reason for the absence from school which will then be marked as excused. Please note that absent notes are for record keeping purposes. If your child will be out more than two days, please call and let us know, or let your child's teacher know. Also keep in mind that school begins promptly at **8:00AM** and children who arrive after that time will be marked officially late.

Please note that absence and lateness will be reflected on your child's report card.

[Mrs. Fallon is the Attendance Liaison and can be reached at \(718\) 382-3130 Ext 11035 or by email at \[TFallon@schools.nyc.gov\]\(mailto:TFallon@schools.nyc.gov\).](#)

Benefits of good attendance:

1. Attendance and academic achievement go hand in hand.
2. Making school attendance a priority can also help your child acquire excellent work and study habits.
3. Getting to school each day prepares students to meet future responsibilities.
4. The same holds true for getting to school on time. Parents teach a valuable lesson when they teach the importance of arriving to school on time every day.

All students are expected to achieve **90% attendance**. This equals only nine days of excused absences.

All late students must be brought into the main entrance to have a late pass filled out and signed by a parent / guardian.
