- 6/1: Field Day

A Look at our Learning

LETTERS AND SOUNDS

We have been learning about blends. Blends are two constants in a words where you hear both sounds. Examples: bl, sn, fl, st.

SIGHT WORDS

will, know, how, one, day, jump, where, them, ask

READING

In this module students have learned that despite their young age and varied abilities, that with a little hard work, some practice, and perseverance, they too can achieve their goals. So let's do it!

MATH

Students are beginning to learn about 2-Dimensional and 3-Dimensional shapes. They will understand that 2-Dimensional shapes are flat and 3-Dimensional shapes are solid.

A note from your teacher

As we begin our last two months together, we ask that you please continue to support your child on their journey to accomplish their kindergarten goals by reading every night and practicing sight words. We are working hard on these goals daily in our classrooms.

A special Congratulations to our April Bucket Fillers! We are so proud of all of your hard work.

K011: Riyan Singh

K012: Artem Kybalo

K013: Skylar Lou

K014: Sally Tzicap
