ELA

Module 3 – Natural Disasters!

Classes will build their knowledge about natural disasters, with a focus on the informational text genre. We will read texts and view videos about how Earth's movements, features, and weather can cause natural disasters. Children will also write an opinion essay about the best way to prepare for a natural disaster.

MATH

Topic 5 – Use Models and Strategies to Divide Whole Numbers

Topic 5 focuses on developing understanding of dividing whole numbers using models and strategies. Your child will learn to estimate and compute quotients of whole numbers with 2-digit divisors.
