NOVEMBER

4th Grade 2026

"Even if something is left undone, everyone must take time to sit still and watch the leaves turn." —Elizabeth Lawrence

Important Dates

- **November 3rd-** Remote Learning Day
- **November 5th- Full Day of School**
- **November 11th-** School closed in observance of Veterans Day
- **November 26th-27th** - School closed in observance of Thanksgiving

In the Classroom

Reading : In reading, the students are continuing the module, "come To Your Senses" which focuses on how people and animals use senses to navigate the world. They will make connections across fiction and nonfiction texts as they sharpen their reading skills and deepen their understanding of this topic.

Math: In math, students will explore arrays and multiplication to find the factors of a given number. The concept is extended to include factor pairs, lists of factors, and prime and composite numbers. Your child will also be learning strategies to multiply two-, three-, and four-digit numbers by one-digit numbers. They will apply strategies involving partial products, including place-value and area models.

Social Studies: In social studies, students will to continue to explore the geography of New York State as we move into our Native Americans: First Inhabitants of New York State unit.

Civics: In civics, students will begin our *Civics for All Soapbox* speeches, where students will identify an issue they notice in their community and develop possible solutions to solve that issue. Students will write an opinion Essay on this topic.
